Dear Praying Friend,

Becky and I want to wish you and yours a very blessed and wonderful Christmas. We are doing very good and are praising the Lord for his goodness in our lives. The year of 2008 has gone by so quickly, and we are so thankful for all the awesome things we have seen and participated in. The Lord is so good!

We know many of our friends and relatives have very serious needs in their lives, and we do too. But we don't ever let the problems of life stop us from remembering and reflecting on the goodness of God in our lives. Just the opportunity to worship and serve the Lord in our country is a great blessing.

The family is doing well. Becky is getting ready for Christmas and is attempting to figure out all the gifts she would like to give. She is such a blessing to our family and ministry. Our ministry would not be what and where it is without her keeping us steady.

The kids are busy with their sports, schooling, and serving in the work of the ministry. We are often profoundly inspired by the good things we have seen in our childrens' lives.

I just finished an awesome youth rally in Upper Darby, PA. There were many young people who came out to our Outreach Christmas event. The Lord blessed tremendously. While students were enjoying the activities, the Lord was preparing their hearts. The Gospel message was given and there was a strong response to receiving Christ as Savior. Thank you for continuing to pray for us as we work in the SW Philadelphia area, Upper Darby to give the Gospel out in this spiritually dark and needy area.

Becky and I want to wish you a very merry Christmas and a blessed new year. We have enjoyed this last year with wonderful victories in our life and ministry. One of the last things we would like to finish for this year of 2008 is to raise extra support for our 2008 salary. This month we are behind in our salary of \$3,000.00, which is six months worth. If you could help us with this special need, it would be very much appreciated. We would like to finish 2008 in the black. We know many of you already support us in a great way. If you could please send in an extra gift it would help us so much. Thank you so much for your prayers on this matter. Take care and may the Lord give you a merry Christmas this year.
