**Missionaries To The Teens Of America
Reaching Youth Since 1983**

Great is the Lord and greatly to be praised. Our young people went on the Shore Missions trip and saw God do a great work in and through them. It was awesome to see the young people being bold in their witness for Christ. God has renewed the passion to see lost people come to know Jesus Christ in our youth group. We are preparing to start our own "inner city ministry". I thank God for Tony and his ministry. I would encourage any youth pastor to take advantage of the opportunities Youth Action Ministry can give them in helping young people fulfill their God given responsibility to be a witness for Him.

Praise God for His work in igniting hearts during the New York City Missions Trip. Some of our young people led their first soul to Christ, while others had their lives stirred for lost souls. Thank you for your effort in making the mission trip a success for Jesus.

SUMMER MISSIONARY
PROGRAM

Youth Action's Summer
Missionary Program

*"Reaching the heart
of the inner city
with the inner city
on our heart"*

Short-Term Missions with Life-Long Results

Dear Friend,

Youth Action would like to invite you to our inner-city missions trips to New York, Philadelphia, Boston, Jersey Shores Boardwalk, and Tampa Bay, FL.

Consider joining our summer missionary program.

The Lord is using Christian Teenagers as missionaries to reach the youth of America!

Come and join us as we reach into these exciting cities and share the Gospel of our Lord Jesus Christ. Through various avenues of evangelism, the Gospel is preached in the open air.

Teens are given the privilege and re-

sponsibility of teaching the Word of God in children and adult outreaches.

Indeed, you will see God doing a supernatural work in your life as you lead others to Him. As we work directly with Bible believing churches, the Gospel is launched into regions beyond.

proven and tried areas, we follow up all names and addresses to local Bible believing churches in the areas. We work in special areas like the Jersey Shores boardwalks and local neighborhoods like your own.

Be a part of this great missions outreach as teens and adults from all over the nation enjoy this exciting opportunity. Join us in developing your skills in sharing the gospel, through testimonies, paint board training, drama and many other great activities, including exciting activity times!! Why don't you prepare now to go share the good news of Christ's love to the lost?

“Go ye into all the world and preach the Gospel.” Mark 16:15

All workers on the team are under the supervision of our ministry, and abide by our rules of conduct and statement of faith.

The Summer Missionary completes a one week training of how to do open air evangelism.

What Do Summer Missionary's Do In Open Air Evangelism?

It is a team of adults and young people ministering the gospel in the open air. Presenting the gospel in parks, plazas, schools of all educational levels, on sidewalks, and on playgrounds. Using many tools to share the gospel attractively and professionally, we see the Lord work in lives.

Painting a presentation of the gospel, we use special testimonies, gospel illustrations and dra-

mas to attract a crowd.

We go into the inner cities of New York City, Philadelphia, and other east coast sites. Working in well-

Schedule

Each week starts on Tuesday at 12:00 PM and ends on Saturday at 12:00 PM. On days off S. M.'s can take day trips or if local to our area can go home. S. M.'s living in our area can go home at the end of the day depending on time we end, otherwise living quarters will be arranged for each summer missionary.

After completing the training, the summer missionary teaches and reaches out in three or four outreaches daily with a team of summer missionary's for a period of 3 to 7 weeks, ministering the gospel for a five day weekly period. The summer missionary receives a small weekly salary.

The summer missionary affords a special opportunity for the local church and or friends of the summer missionary to sponsor one or more young people providing funds for the summer missionary training, teaching materials, food, housing as needed, and a small weekly salary.
